Lr.No. JNTUK / Registrar's Peshi / Research Initiatives /2009 Date: 24-01-2009

Dear Sir,

I am by the directions of the Vice Chancellor Prof Allam Appa Rao wish to bring the following for your serious consideration.

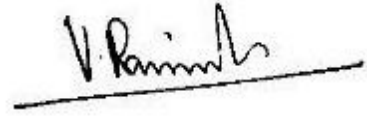

The University has conducted a National Workshop on "Research Initiatives" under Technical Education Quality Improvement Programme (TEQIP) for staff members of the affiliated colleges under JNTU Kakinada undertaking research activity on 19-1 . 2009.

This great initiative was taken by Hon'ble Vice-Chancellor to encourage research in affiliated colleges of our University and many eminent Professors around the world attended the event and gave excellent lectures on research initiatives. Vice- Chancellor wishes to convey heart felt thanks for those who have attended the meet at a short notice despite their prior commitments

It is disappointing that some of those whose list is enclosed however could not turn up for such a historical event, which has hurt the feelings of our Honorable Vice-Chancellor. We would have appreciated if you had intimated your inconvenience to attend the meeting, so that we could have arranged the meeting on any alternative day.

It is highly desirable that all of you need to take seriously such events held at the University. It is highly essential that the faculty should attend such events arranged with

lot of objectives in mind, and to improve the system with mutual discussion and collective responsibility.
