Sub: Estt. - JNTUK - Online Affiliation Information System

I am by the direction of the Hon'ble Vice Chancellor, writing to you that, we have delayed the launch of our JNTUK Online Affiliation Information System because of the lack of information from the JNTUK affiliated colleges.

It was noticed that most of JNTUK affiliated colleges have not complied with the formality of filling up various online forms (existing in the Affiliation Management System as you all know). We would construe it to be as non compliant college and would also put it in the non existing category. We would also be sending a committee to all the colleges non-abiding the request.

As you are aware, update the information on the web link <http://121.241.171.225:8080/jntukap/> in our university web portal. We will be making the information online on **15 January 2010** and the details of the Online Affiliation System would be made available to students, parents, government, funding and monitoring agencies.

Please abide by the new system and provide the required details online latest by **15 January 2010**, to avoid necessary action by the university.

For technical support in furnishing details, please reach out to Mr. Ratnakar Reddy – 040 40165424
