

**APPLICATION FORM**  
**( Workshop on**  
**Applications of Image Processing and Security )**

- 1.Name : .....
- 2.Date of Birth & Age: .....
3. Gender (M / F) : .....
4. Qualifications : .....
5. Teaching Experience: .....
6. a) Designation : .....  
b) Department : .....
7. a) Institution : .....  
b) Affiliating University : .....
8. Address for Communication:  
.....  
.....  
.....
- 9 Phones Nos:  
(O).....(R).....
- MOBILE:**.....**Fax:**.....
- E - mail ID:** .....

**Date:** **Signature**  
**Name:**

**Important Dates :**  
Last date for Receipt of Application : **21-03-2009**  
at CSE , JNTU, Kakinada  
Intimation of Selection to : **22-03-2009**  
the candidates through  
e-mail.  
Course Commencement : **23-03-2009**  
Advance copy of application may be submitted  
through e-mail followed by hardcopy.

**Location:** The college campus lies in the Kakinada town which is well connected by road and rail. Railway station and Bus stand are at a distance of 1Km. from the college campus.

**Accommodation :**  
This course is planned for 2 days accommodation for limited people is provided for **Free** in the University. Participants who require accommodation are requested to intimate through mail.  
**No Registration Fees.**

**Address for all Correspondence :**

Jawaharlal Nehru Technological University  
Kakinada  
Andhra Pradesh, INDIA.

### About the Department:

The Department of Computer Science and Engineering, University College of engineering Kakinada, JNTU Kakinada was established in the year 1989-90. The CSE department was established to impart relevant quality education to the students, to groom them to be conscious researchers, technologists, professionals and good citizens, bearing torch for disseminating knowledge in masses for sustainable socio-economic development of the society. This department is equipped with the state-of-the-art computer laboratories required to cater to the needs of undergraduate and post graduate programmes. Active research is being conducted in the areas of Data Warehousing and Mining, Image Processing, Speech Processing, Computer Networks, Network and Information security, Cluster and Grid Computing. Five Ph.D.s have been awarded from this department in the areas of Information Security, Digital Image Processing, and Data Warehousing & Data Mining. Twenty Five Doctoral Research Scholars are currently registered for the Ph.D. in the various areas of Computer Science and Engineering.

The Alumni of this department are occupying high positions in Software companies such as Microsoft, AT&T, IBM, TCS, CTS, IBM , Infosys, InfoTech etc. in India and abroad. More than 90% of the students of this department are placed in reputed National and International organizations through campus recruitments. The department is involved in successful organization of several National seminars, Workshops, and student paper contests. The department is actively involved in modernization and development of the laboratories with World Bank project, Technical Education Quality Improvement Programme (TEQIP).

### The Scope of Workshop :

- § Provides opportunities for teachers in service, to exchange experience with their peers and learn mutually from each other.
- § Provide a forum for serving teachers to keep themselves abreast of the latest advances in Image Processing and Security.
- § Create the culture of learning and self improvement among the teachers.
- § Provide opportunities to further widen their knowledge and to pursue research studies, and
- § Give an introduction to new methods and innovations in Image Processing and Security.
- § Practical applications of Image Processing and Security by experts in the field.

### Contents

- Image Segmentation
- Morphological Processing
- Image classification
- Image watermarking
- Steganography
- Application of neural networks in Image Processing

The number of participants is limited to a maximum of 40, and the selection will be based on the 'first - come-first-served' basis.

### Eligibility :

§ Faculty from the Departments of CSE , IT ,ECE and MCA and related branches/disciplines working in the Universities and affiliated Colleges are eligible to participate in the Course.

§ M.Tech, MCA Project Students

§ final year B.Tech Students

### Faculty :

Resource Persons are drawn from leading educational Institutions who are authorities of Image processing and security.

### SPONSORSHIP CERTIFICATE

Certified \_\_\_\_\_ that \_\_\_\_\_ Mr/Ms. \_\_\_\_\_ is an employee of our institution since \_\_\_\_\_. Presently he/she is working as \_\_\_\_\_, in the \_\_\_\_\_ department and is hereby sponsored for the Workshop on “**Applications of Image Processing and Security**”, at Department of Computer Science & Engineering, College of engineering, Kakinada, Jawaharlal Nehru Technological University Kakinada, during the period **23-03-2009 to 24-03-2009**. our College is affiliated to \_\_\_\_\_ University.
